

Biodiversity and the Environment (Wales) Act 2016

Llandysilio Community Council owns;-

- The Sports & Recreation Field, Foxen Manor
- Public Open Space at Parc Hafod
- War Memorial

<u>Action carried out to:</u>		<u>Monitored by:</u>
Embed biodiversity into decision making and procurement	Biodiversity means looking after living organisms and so maintain a good ecosystem. Community Council will ensure no cutting of any hedges in the bird nesting season.	Clerk & Community Councillors
Raise awareness of biodiversity & its importance	Biodiversity Plan will be monitored annually.	Clerk & Community Councillors
Safeguard principal species & habitats	Regular inspection of trees	Part of routine maintenance inspection of Sports & Recreation Field.
Restore & create habitats & resilient ecological networks	Encourage the growing of wildflowers in the verges at the bottom of hedges to help pollinators. Add Bird Boxes	Clerk & Community Councillors
Tackle negative factors e.g reduce pollution, use nature based solutions & address invasive species	Monitor for Japanese Knotweed & Himalayan Balsam on all sites	Clerk & Community Councillors
Use, improve & share evidence	Discussions with other Community Councils as to best practice	Attendance at Montgomeryshire Forum and Local Society of Clerks
Support capacity, and/or other organisations	Discussions with other Community Councils as to best practice	Attendance at Montgomeryshire Forum and Local Society of Clerks

Key outcomes, use narrative and metrics where possible	Only use Herbicides and Pesticides when necessary	Clerk & Community Councillors
Review points e.g. enablers & barriers to action, improvements to forward plan	Work to provide Allotments for residents	Clerk & Community Councillors
How & when will the duty be monitored and the S6 plan reviewed.	Monitored on a quarterly basis and reviewed at Annual meeting.	Clerk & Community Councillors
